**Dear Mr. Lothar Stadelmeier:**

Thank you for your request for a letter of invitation to participate in the FOBTv2011 Summit in Shanghai, China: Conference 10-11, November 2011.

Future of Broadcast Television (FOBTv) will be held to foster global collaboration that may lead to the development of common strategies for the future of terrestrial broadcasting and to exchange technical advances in the rapidly converging areas of terrestrial broadcasting, consumer electronics and networking technologies. Industry technology leaders are to be invited to work together to share their visions of the future of broadcasting. Bringing together the collective perspectives of experts worldwide should benefit industry leaders as they identify their optimum national path for terrestrial broadcasting.

**FOBTv 2011 Host Organization:**

National Engineering Research Center of Digital Television ([NERC-DTV www.nercdtv.org](http://www.nercdtv.org))

**FOBTv 2011 Date and Venue:**

Date: 10-11th Nov 2011

Venue: Shanghai International Convention Center

Add: 2727, Riverside Avenue, Pudong, Shanghai, China

It is important to note that visiting China may require you to obtain a temporary visa. We strongly urge you to contact the visa section of the China Embassy/Consulate nearest you to determine how and when to apply for a visa.
